

JustCars Care Club — Membership Terms

One personal membership, simple and without small print. This — and only this — is what the card gives.

Membership & card

- €50/month, billed monthly — no hidden lock-in, no multi-year prepayments. Cancel any time; active to the end of the paid month.
- The card is personal and non-transferable. It is valid for any car the member owns — garage size doesn't matter.
- When a car is sold, benefits do not pass to the buyer.
- Valid at both locations: JustCars Almancil & Loulé.

Benefits (closed list)

- -50% on washes: the 1-hour express (€75 → €37.50) and the 3-hour detailed (€150 → €75), unlimited frequency. The 8-hour deep wash (€300) is not included.
- -20% ONLY on: polishing & paint correction, ceramic coating, wax protection, interior restoration, headlight PPF & headlight restoration.
- -25% on detailing products sold at the studio — no quantity or time limits, for personal use.
- Queue priority at both locations.
- Free pickup & delivery within 15 km of the studio; further out — quoted case by case.
- PPF or wrap project over €5,000 (paid total of one order, including added services): your next membership year is on us. Each additional car with a qualifying project adds another year.

No discount on

- Painting, mechanics, electrical work, upholstery, audio installs, wheel refinishing, storage, PPF & wrap themselves, and work carried out by external partners.
- Discounts do not stack with other promotions — the better benefit applies, never both.
- The base price of the first service on a neglected car is set by its real condition at intake; the discount applies to that honest base.

Vehicle collection

- Once we tell you the car is ready, it stays with us free for 2 days; €30/day applies after that. We do not sell storage.

Ceramic / PPF / wrap aftercare

- The quarterly care visit is the 3-hour detailed wash: €150 (members €75). Tell us the car is coated when you book.

Questions? One WhatsApp message sorts it: +351 924 744 383.
